"A fresh look at Herbie Hancock classics and delicious new original themes all presented with taste and virtuosity. No safety net here, everyone is living on the edge. Nick's playing and writing is sublime, Brownman sounds ferocious and the rhythm section is an unstoppable force. This is truly jazz at its adventurous best. I love the music these guys make. You will too."

- Bruce Cassidy (Blood, Sweat & Tears Musical Director '04-'09, renowned EVI player)

This spring, the multi-award-winning Nick MacLean Quartet feat. Brownman Ali embarks on their extensive, two month national tour across Canada, bringing them from their hometown of Toronto all the way to the Pacific coast and everywhere in between. Led by fast-rising piano star Nick MacLean -- an 8x Global Music Award winner and one of the most in-demand young jazz piano players in Toronto -- this contemplative yet thrilling quartet delivers jazz between the two poles of thoughtful introspection and powerhouse conveyance, taking influences from Herbie Hancock's primordial 1960's Blue Note era recordings. Maclean's quartet heavily features one of Canada's most provocative improvising trumpet players -- Brownman Ali -- an internationally acclaimed, multi-award winning jazz iconoclast who has been heralded as "Canada's preeminent jazz trumpet player" by New York City's Village Voice and is best known globally as the last trumpet player to play in the legendary jazz-hip-hop group Guru's Jazzmatazz. For this show, Ali & Maclean stand shoulder-to-shoulder with 2 of Canada's top-tier rhythm section players: Bennett Young on upright bass (in for Ben Duff), and Jacob Wutzke on drums.

Come witness these four in full flight, this tour features many nights of deeply exploratory, hard-swinging modern-jazz audiences nation-wide will not want to miss.

Date and Time: Wednesday, April 26 6:00 pm - 8:00 pm

Address: Durham Regional Headquarters, 605 Rossland Rd. E., Whitby

The Regional Municipality of Durham is inviting residents to attend the final Durham Meadoway open house. Community input has already helped shape the project vision, develop guiding principles, identify a preferred route and create a programming concept plan. Join the project team at the final open house to learn more and share your input.

Durham Meadoway is a proposed pedestrian and cycling route and linear park that will connect people to destinations across more than 30 km of Durham Region. In addition to providing a significant east-west recreational facility and active transportation spine for cycling and other activities, the Durham Meadoway has the potential to become a multi-faceted space for people that includes ecological enhancements, public art and community amenities.

There will be short presentations by the project team at 6:20 and 7:20 p.m.

Why: The Region is working with stakeholders and the community to develop a visioning study for the Durham Meadoway. The visioning study will provide a robust vision and framework that will guide future detailed planning and implementation of the corridor. The visioning study is the first of several initiatives that will be needed to take the Durham Meadoway from concept to construction.
