Jon Pardi

Date and Time: Friday, November 17 7:00 pm - 11:00 pm

Address: Tribute Communities Centre - 99 Athol Street East, Oshawa

ACM and CMA Award-winning Singer/Songwriter/Producer Jon Pardi announced his first official headlining run across the globe, the 2023 Mr. Saturday Night World Tour, produced by Live Nation. Named after his latest critically-acclaimed album, Mr. Saturday Night. Tickets range from \$51.75 to \$134.25 and are available for purchase at tributecommunitiescentre.com.

Fans can also purchase VIP Packages for the tour, which may include: premium tickets, a backstage tour, a group photo backstage, an invitation to the Pardi Time! VIP Lounge, a limited edition gift item, and more. For more information, visit vipnation.com.

Since first hitting the country landscape, Jon Pardi has long since separated himself from the pack, carving a lane that was all his own by producing, writing, and singing songs he created from the melodies up, and earning praise for it. "Jon Pardi cut a path through modern country's embrace of pop, hip-hop and EDM" (The New York Times) with "an emboldened work... a distilling of his sound into a more potent form that draws both vitality and assurance from his anything-but-sterile relationship to his tradition's modern era" (NPR). With his "state-of-the-art blend of traditional instrumentation and progressive grooves that point to country's future" (Rolling Stone), Pardi is "a leader among a growing number of artists bringing back fiddle, steel and twang" (People). "Even when he's singing sad songs, he wants people to have a good time" (Associated Press).

Pardi's current single off Mr. Saturday Night, "Your Heart Or Mine," is Top 30 and climbing on country radio airplay charts. Featured by NPR, Paste, Billboard, The Tennessean and more, Pardi's album Mr. Saturday Night proved Pardi has "blazed his own trail over the past decade" (Billboard), with Taste of Country noting, his "refusal to chase sets Mr. Saturday Night apart" and Nash News raving, Mr. Saturday Night "proves he might be the most successful at combining the old-school sound with today's need for hooks." Mr. Saturday Night reunited the producing team of Bart Butler, Ryan Gore and Pardi- the same team behind the boards of his critically-acclaimed album, Heartache Medication. Pardi's CMA and ACM Album of the Year nominated project. Heartache Medication debuted among the top albums on Billboard's Country Albums chart and was named in 2019 Rolling Stone's "Best Album of the Year" and by the Los Angeles Times as one of the (Top 10) "Best Albums of the Year." Heartache Medication followed his breakthrough Platinum-selling album, California Sunrise, which featured the multi-platinum, chart-topping hits "Dirt On My Boots," "Head Over Boots," "Heartache On The Dance Floor" and "Night Shift."
