A FEW GOOD MEN (1992)

Date and Time: Thursday, May 1 7:00 pm - 9:30 pm

Address: 50 King St E Oshawa, Ontario

Thursday, May 1, 2025 7:00 p.m. – A Few Good Men (1992)

Starring: Tom Cruise, Jack Nicholson, Demi Moore

R / 2h 18min / Drama, Thriller

In this dramatic courtroom thriller, Lieutenant Junior Grade Daniel Kaffee, a Navy lawyer who has never seen the inside of the courtroom, defends two stubborn Marines who have been accused of murdering a colleague. Kaffee is known as being lazy and had arranged for a plea bargain. Downey's Aunt Ginny appoints Lieutenant Commander Galloway to represent him. Also on the legal staff is LTJG Sam Weinberg. The team rounds up many facts and Kaffee is discovering that he is really cut out for trial work. The defense is originally based upon the fact that PFC Santiago, the victim, was given a "CODE RED". Santiago was basically a screw-up. At Gitmo, screw-ups aren't tolerated. Especially by Col. Nathan Jessup. In Cuba, Jessup and two senior officers try to give all the help they can, but Kaffee knows something's fishy. In the conclusion of the film, the fireworks are set off by a confrontation between Jessup and Kaffee. —Matt Curtolo

"Groovy, soulful & exploratory... reminds me of a band I used to play in!"

Randy Brecker, Grammy winning jazz trumpet legend (NYC, USA)

Under the leadership of Juno nominated and 10x Global Music Award winning jazz pianist NICK MACLEAN, SNAGGLE is an electric-jazz-funk ensemble often described by media as "Canada's answer to Snarky Puppy". The group features as its frontline the all-star horn duo the ALI BROS. BROWNMEN ALI (Guru, Jay-Z, Randy Brecker) and MARCUS ALI (Matt Dusk, Jason Wilson, Mr Something Something), both highly decorated and renowned musicians, have been featured as a pair on countless records owing to the almost telepathic synergy they share in addition to their highly sought-after talents as individual soloists. Maclean and the Ali Bros stand shoulder to shoulder with some of Toronto's top-tier electric jazz players: JAY YOO on guitar, MATT GRUBNER on bass, and ADAM MANSFIELD on drums. Sporting an all-original repertoire, the group has a fearless and muscular yet introspective sound likened to a cross between electric-era Miles Davis and Rage Against the Machine that swings their live show from quietly contemplative all the way to explosively fierce - sometimes all within the same tune.

Debuting brand new material to be featured on an upcoming full length studio album, these performances will feature deeply exploratory, groovy electric-jazz that audiences will not want to miss.

Nick Maclean - keys/synth
Brownman Ali - electric trumpet
Marcus Ali - tenor sax
Jay Yoo - guitar
Matt Gruebner - bass
Adam Mansfield - drums

Address: 50 King St E Oshawa, Ontario

Presented by Modo-Live x DFRNT Nights

Ever since New York native Aries Spears was 14 years old, he has been a force to be reckoned with in the comedy scene throughout North America.

His quick wit, charisma and ferociously aggressive style of comedy have earned him critical acclaim, high accolades, and above all, a busy schedule. From being a regular on Fox's *Mad TV*, starring in feature films, appearing on a number of national talk shows, and continually touring the country where he continually sells out each and every city, Aries' talents are widespread as he just passed the 3 million spins played on Pandora and his podcast is one of the "Musts" in the US.

As a principal cast member on Fox's hit sketch comedy show *Mad TV*, Aries brought a fresh, hip style to the already edgy program from the third through the tenth season. The producers made full use of many of Aries' talents by calling on him frequently to create new hilarious characters and write sketches where he thrived for eight seasons.

Chicago Transit

Date and Time: Saturday, May 31 8:00 pm - 10:00 pm

Address: 50 King St. E. Oshawa, Ontario

Presented by Blackrose Entertainment in Association with CKDO 107.7 FM 1580 AM

There are a lot of bands doing a tribute to the band Chicago, but back in the early 90's, when 'Powerhouse' decided to put together their Chicago Transit tribute act, they were the first in the world to do so. Today they

remain as the longest running Chicago tribute band and the only one to carry four lead vocalists, just as the band Chicago does.

The bands' 5 lead singers, the 3-piece horn section and the 5 piece rhythm section, made this show a natural for all Chicago fans. In twenty-five years, Chicago Transit toured across the US and Canada extensively. They cover all the Chicago material from the early horn-dominant classics like 'Make Me Smile', '25 or 6 to 4' and 'Saturday in the Park' to the later, softer, keyboard-oriented ballads like 'If You Leave Me Now'.
