Date and Time: Tuesday, June 18 6:00 pm - 8:00 pm

Address: The Embassy Church (Family Center Auditorium) 416 Taunton Rd. W., Oshawa, ON

Project Overview

Lighthouse

Date and Time: Saturday, June 22 8:00 pm - 10:00 pm

Address: 50 King St E Oshawa, Ontario

Presented by: Blackrose Entertainment in Association with CKDO 107.7 FM 1580AM

Lighthouse burst on the scene in 1969, with an explosive sound that defied all conventions. Between 1970 and 1973 they were awarded four Junos, four gold albums and Canada's first platinum album for Lighthouse Live!

While hits such as One Fine Morning, Sunny Days, Hats Off to the Stranger, 1849 and Pretty Lady raced to the top of Canadian and International charts.

As the first fusion band, their unique blend of rock, jazz and classical influences rocketed them to the forefront of musical trends. They were the first rock band asked to headline the Newport, Monterey and Boston Globe Jazz Festivals; the first to perform with Symphony Orchestras and the first to collaborate on a Rock Ballet. Lighthouse was the only act invited to perform a second night at the legendary 1970 Isle of Wight Festival among acts that included The Who, Miles Davis, Joni Mitchell, Chicago and The Doors.

From 1970 to 1976 Lighthouse toured three hundred days a year across North America with an emphasis on Canadian concerts in the cities, towns and small hamlets of every province. Indeed, it's hard to find a person who lived in Canada through the 1970s who didn't see the group live. They were Canada's band. Reunited in 1992, Lighthouse continues to tour regularly featuring original founders Paul Hoffert and Ralph Cole leading an all-star line-up that includes original members Russ Little and Steve Kennedy with Chris Howells, Simon Wallis, Doug Moore, Don Paulton, Jamie Prokop and dynamic lead vocalist Dan Clancy.
