The Trojan Women

by Ellen McLaughlin

directed by Andra Kelly

Audition **Mon. Aug. 19, 2024 7-9 pm**
Arts Resource Centre, 45 Queen St. Oshawa

War is cruel, especially to civilians. Survivors are left without connection when their loved ones, homes, culture, and even their belief systems are destroyed. In this modern adaptation of the play by Euripides, the women of Troy await their fates after the fall of their city at the hands of the Greeks. Exploring how displacement shatters identity, this classic tale about the costs of conflict seen through the eyes of the vulnerable continues to deserve our attention. Director Andra Kelly seeks a cast to represent our world today. Hard copy scripts for advance reading are now available for loan. Visit durhamshoestring.org for all the audition details.
