Notice of Public Consultation – Stevenson Road North Corridor Municipal Class Environmental Assessment Study

Date and Time: Thursday, June 22 06:00 pm - 8:00 pm

Address: The Embassy Church (North-East Conference Room) 416 Taunton Rd. W., Oshawa, ON

The City of Oshawa has retained Gannett Fleming Canada ULC to undertake a Municipal Class Environmental Assessment Study (M.C.E.A.) to determine appropriate upgrades to the Stevenson Rd. N. corridor from Taunton Rd. W. to Conlin Rd. W. The project will also review the need for a proposed east-west Type 'C' Arterial road in the Northwood Industrial Area (from the Oshawa/Whitby border to Stevenson Rd. N.).

Currently, Stevenson Rd. N. is a two-lane rural north-south road, with no paved shoulders or sidewalks. There is an opportunity to significantly improve the overall function of Stevenson Rd. N. by upgrading the roadway infrastructure and municipal services to contribute to the development of adjacent lands and advance economic and job creation opportunities for the City.

Public and technical agency consultation plays a key role in developing the study recommendations. As such, the purpose of this letter is to notify you of the upcoming Public Information Centre (P.I.C.), which will present the Study process, existing conditions, the evaluation of alternative solutions and the next steps in the Study. The P.I.C. is scheduled for:

- **Date:** Thursday, June 22, 2023
- **Time:** 6 p.m. to 8 p.m.
- **Location:** The Embassy Church (North-East Conference Room) 416 Taunton Rd. W., Oshawa, ON

Information related to the Study will be available for review on the City's website at Oshawa.ca/StevensonEA.

Address: 72 Queen St. Civic Centre Oshawa, ON

Please join us to celebrate the opening of *[pitch, slip](#)*, a new exhibition by RBC Emerging Artist in Residence, [Alex Close](#).

From public performance venues to virtual reality, she is drawn to question engineered experiences and the role that trust plays in our day-to-day lives. This body of work is reflective of Close's evolving approach to abstract painting and her bold embrace of experimentation in the RMG's artist

residency studio, which is supported by the RBC Foundation's RBC Emerging Artist Project.

This event is free!

Refreshments will be served.

Join us in the exhibition space at 7 p.m. for a conversation between the artist and RMG Associate Curator, Hannah Keating.

Seating will be available.

If there is anything else we can do to support your participation, please reach out to Hannah at hkeating@rmg.on.ca.

Let us know you're coming with an [RSVP](#) (not required, but encouraged).
