Ice Cube: Straight Into Canada Tour 2024

Date and Time: Thursday, May 9 7:00 pm - 10:00 pm

Address: 99 Athol Street East

Straight off of the sold out first leg of the Straight Into Canada tour, Hip Hop icon Ice Cube announces part two of the tour, with eleven new dates across Canada including a stop in Oshawa at the Tribute Communities Centre. Tickets for the second leg of the Straight Into Canada tour go on-sale Friday, February 23 at 10:00am.

As a triple threat, having garnered prestigious accolades such as the Rock & Roll Hall of Fame, the Hollywood Walk of Fame and the Naismith Basketball Hall of Fame, Ice Cube transcends the boundaries of music, cinema and sports establishing himself as a legend in the world of entertainment. Initially rising to prominence with hip hop supergroup N.W.A., Ice Cube's departure from the group at its pinnacle marked the beginning of a remarkably successful solo career in music, selling over 10 million albums and cementing his status as a rap icon. Cube has been a part of two groups since then. Westside Connection with Mack 10 and longtime friend WC and Mount Westmore, which includes multi-platinum-selling stars Snoop, E40, and Too \$hort.

Expanding his repertoire, he ventured into acting and filmmaking, where he's produced the Friday, Ride Along, Barbershop, and Are We There Yet? franchises, and the critically acclaimed NWA biopic Straight Outta Compton. He is also an acclaimed film writer (Friday, The Players Club, The Janky Promoters) and director (The Players Club) who is best known for his acting. One of the most bankable actors in cinematic history, he has also acted in the Friday, Barbershop, Are We There Yet? and Ride Along franchises, along with the 21 Jump Street franchise, and has had star turns as a conflicted teen in Boyz n the Hood, a greedy soldier in Three Kings and an elite government agent in XXX: State of the Union. His most recent acting part was playing Superfly in Teenage Mutant Ninja Turtles: Mutant Mayhem.

Beyond music and film, Ice Cube co-founded the BIG3 basketball league, showcasing his passion for sports and is currently working on his 11th solo studio album titled Man Down to be released on his label Lench Mob Records in the Summer of 2024.

Guaranteed to be a night of Hip Hop's finest!

Marc Jordan & Amy Sky - Together in Concert!

Date and Time: Thursday, May 9 7:30 pm - 9:30 pm

Address: 50 King St E Oshawa, Ontario

Presented by: Shantero Productions

Ticket Price: \$71.50

Marc Jordan & Amy Sky...Together in Concert is, in short, magical! Two much-loved and respected, multiple award-winning Canadian singer-songwriters fuse their individual talents to create a spellbinding evening of entertainment.

Throughout the evening, aside from their wry humour and anecdotes spanning 36 years of marriage, each will perform a generous sampling of their own hits. From Amy's I Will Take Care of You, Til You Love Somebody and Love, Pain and the Whole Damn Thing, to Marc's Marina Del Rey, Tears of Hercules and, of course, his worldwide #1 hit Rhythm of My Heart.

For this series of concerts, they will be joined by a group of outstanding musical friends under the direction of renowned producer/composer and keyboardist Lou Pomanti.

Marc Jordan & Amy Sky...Together in Concert! The whole is, indeed, greater than the sum of its parts.

Recommended Age: 12+

Age Restriction: 5+

As Canadian broadcaster Ross Porter wrote, “*If music is doing its job, one of its functions is to act as a salve to the troubled times in our lives. Marc performs with so much affection and imagination, the mission is accomplished.*” The very same can be said of Amy.

Nonetheless, the real magic comes when Marc and Amy sing together – the melody intertwined with innovative and unexpected harmonies – his smoky, jazz-tinged voice comes in above her gutsy, gravelly alto, next phrase they weave around each other, and Amy is soaring over Marc, so deliciously evident in songs like Long Shot and Free Fallin’ from their critically acclaimed Juno nominated album He Sang, She Sang.

Rave reviews for "3 Feet Tall" have already started rolling in calling it a 'Song of the Year contender.' Country Now claims, "'3 Feet Tall' will go down as one of the most important songs Cole Swindell has ever released." Rick has been painting and exhibiting internationally for more than 45 years. He also brings his formal training as a wildlife biologist. His fusion of art with science works to honour and protect earth.

Rick has titled his tour "The Moods of May" and writes,

‘For some naturalists, Ontario’s most anticipated events often occur during the transitional seasons of spring and fall. We often remark at their rapid appearances and departures, when everything seems in a hurry either to catch up or avoid being left behind. Like transient weather systems, the seasons bring migrants, stories and change. May is such a month, at times seeming to flow smoothly into summer; at others moodily reluctant to release the grip of cooler days, in defiance of the calendar’s date: a time of both flowers and frost. On this outing, the marshes, woodlands, fields and beaches will reveal their character in wings, songs, aroma and hue, writing their own chapters in the journal of the seasons.’

To optimize this exceptional experience, the group will be limited to 20 participants.

Dan Hill

Dan Hill is an international music industry legend and one of Canada's most distinguished, authentic, and multi-talented artists: Grammy-winner, five time-Juno Award winner, Harold Moon Award, and inducted into the venerated Canadian Songwriters Hall of Fame Award.

Dan is known for his heartfelt sensibility on two massive international hits, "Sometimes When We Touch", recognized as one of the Top 100 Songs of the Century and one of Top 100 Most played songs of all time, and "Can't We Try", which spent 29 weeks on Billboard charts. His voice is "smooth softness, with a light warmth," perfectly describing both his original and recent works that fans still gather to enjoy today.

Andy Kim

In 1969, Andy co-wrote 'Sugar Sugar' - his first Billboard #1 hit. In 1974, Andy wrote a new song called "Rock Me Gently" and absolutely no one wanted to produce it. Andy loved the song, and he wouldn't take no for an answer. He formed his own record company, called !CE, and produced the record on his own. When it was released, "Rock Me Gently" went straight to #1 on the Billboard charts and it remained on the charts for a staggering 4 months.

A true Canadian son, Andy has had nine top 40 Billboard hits including Baby I Love You. He was recently honored with the appointment to the Order of Canada. He has been awarded the country's top industry honours including a Juno award, the Canadian Music Industry Hall of Fame and a star on Canada's Walk Of Fame. Andy is a member of Songwriters Hall of Fame, was inducted into Billboard's Hit Parade Hall of Fame. Over his epic career, Andy has sold over 30 million records, and has over half a billion streams on Spotify and YouTube.

Andy Kim – "I'm excited to share the stage with my dear friend, the multi-talented Dan Hill."
