#### **CS-22-80 - Lakeview Park Extended Hours of Operation - (All Wards)**

Whereas on December 13, 2021 Council endorsed motion [CS-21-135 “Alteration of Lakeview Park’s Visiting Hours”](#) and amending By-law 151-2021 to extend the operating hours of a portion of Lakeview Park until midnight thereby amending the [Parks and Facilities By-law 83-2000](#);

1. That the Parks By-law be amended temporarily to allow for Lakeview Park, south of Lakeview Park Drive and east of Kluane Avenue including Lakewood Park Lookout, to be open to the public until 12:00 midnight nightly, regardless of season; and,
2. That staff monitor and investigate and report back to the Community Services Committee in the Second Quarter of 2022; and,
3. That water access at Lakeview Park be restricted after 6:00 p.m. during the winter months regardless of the by-law change until staff can report back in the second quarter.

Whereas staff have been monitoring park use since implementation of the extended hours in December; and,

Whereas Parks Operations staff have had no additional issues since the hours were extended; and,

Whereas Corporate Security has indicated a slight increase in people using the park after midnight, however, to date there have been no issues at the park directly attributed to the extended hours; and,

Whereas no issues or concerns have been raised by the operator of the on-site business since the hours were extended; and,

Whereas Durham Regional Police Services did not provide any comments related to the extended hours at Lakeview Park;

Therefore be it resolved that the Parks and Facilities By-law 83-2000 be amended permanently to allow for Lakeview Park, south of Lakeview Park Drive and east of Kluane Avenue including Lakewood Park Lookout, to be open to the public until 12:00 midnight nightly, regardless of season and that water access to Lakeview Park be restricted after 6:00 PM during the months of November through to the end of March.

#### **CS-22-79 - Carbon Monoxide Alarm By-law 72-2012 (All Wards)**

Whereas the City of Oshawa’s Carbon Monoxide Alarm By-law 72-2012, as amended (“Carbon Monoxide Alarm By-law”), was introduced in 2012 as a tool to require the installation and maintenance of Carbon Monoxide Alarms in all Dwelling Units, as defined by the Carbon Monoxide Alarm By-law, and which include those Dwelling Units containing fuel burning appliances and/or attached garages; and,

Whereas the purpose of the Carbon Monoxide Alarm By-law is to ensure residents have Carbon Monoxide Alarms in place to provide early warning when carbon monoxide is present in Dwelling Units; and,

Whereas this Carbon Monoxide Alarm By-law was necessary because at the time the Carbon Monoxide Alarm By-law was approved by Council, Ontario Regulation 213/07, *Fire Protection and Prevention Act, 1997*, S.O. 1997, c. 4 (“Ontario Fire Code”) did not require the installation of Carbon Monoxide Alarms in all Dwelling Units; and,

Whereas requirements for Carbon Monoxide Alarms have now been incorporated into the Ontario Fire Code; and,

Whereas the Ontario Fire Code now provides this requirement, and the City of Oshawa’s Fire Services now has legislated authority under the Ontario Fire Code to enforce compliance to ensure Carbon Monoxide Alarms are present in residences; and,

Whereas this regulatory change has made the need for the City of Oshawa’s Carbon Monoxide Alarm By-law redundant;

Therefore, be it resolved, that the Carbon Monoxide Alarm By-law 72-2012 as amended, being a by-law requiring the installation and maintenance of Carbon Monoxide Alarms in all Dwelling Units, including those that contain fuel burning appliances and/or attached garages, be repealed.

Whereas heavy trucks have become a problem on Grandview Street North with the massive infrastructure and new home construction happening north of Conlin Road; and,

Whereas it has become a safety concern with school opening this September; and,

Now therefore be it resolved that the City make Grandview Street North between Taunton Road East and Conlin Road East, a No Heavy Vehicle restricted road section at the earliest possible time.

**CS-22-92 - Request for Radar Speed Boards (All Wards)**

Whereas currently there are 5 Radar Speed Boards for each Ward and their deployment is subject to the agreement of the two Ward Councillors; and,

Whereas deployment of these boards throughout the Ward has had a positive effect of the traffic flow in the areas where residents have voiced their concerns to their Ward Councillors; and,

Whereas increasing the number of these boards will allow the boards to be deployed in more areas or for longer periods of time in each Ward;

Therefore be it resolved that staff be directed to investigate increasing the number of Radar Speed Boards by 5 additional boards for each Ward and that the purchase of the additional boards be considered in the 2023 budget.

**CS-22-93 - Speed Limit Reduction on Rossland Road East between Harmony Road North and the dead end at Grandview Street North (Ward 3)**

Whereas the portion of Rossland Road East that is east of Harmony Road North is a City of Oshawa road; and,

Whereas the posted speed is 50 Km/H on this portion of Rossland Road East between Harmony Road North and the dead end where it meets Grandview Street North; and,

Whereas Grandview Street North is a posted 40Km/H speed zone; and,

Whereas many drivers travelling east on Rossland Road East do not slow to the 40 Km/H speed from the 50 Km/H speed on Rossland Road East; and,

Whereas reducing the speed to 40 Km/H on the portion of Rossland Road East between Harmony Road North and the dead end at Grandview Street North will mean drivers will not have to reduce their speed when turning north on Grandview Street North;

Therefore be it resolved that the speed limit on the portion of Rossland Road East between Harmony Road North and the dead end at Grandview Street North be reduced to 40 Km/H and posted as such.

**CS-22-94 - Speed Limit Reduction on Riverside Drive North from Bond Street East to Ascot Street (Ward 3)**

Whereas Riverside Drive North runs north & south between Ascot Street and Bond Street East; and,

Whereas residents are concerned with the speed of drivers using Riverside Drive North and request the posted speed limit be reduced to 40 Km/H;

Therefore be it resolved that the speed limit on Riverside Drive North from Bond Street East to Ascot Street be reduced to 40 Km/H and posted as such.

**CS-22-96 - Pedestrian Signals Downtown Oshawa (Ward 4)**

Whereas Downtown Oshawa is a high-volume pedestrian urban area; and,

Whereas a safe and accommodating pedestrian environment is crucial to safety and a positive experience when people are Downtown Oshawa; and,

Whereas both Plan 20Thirty and Plan 20Twenty have affirmed the importance of a positive pedestrian experience in achieving the goals of Downtown improvement; and,

Whereas the Region of Durham has committed to a Vision Zero plan which includes the reduction of collisions of vehicles into pedestrians and other active transportation users and on page 21 of the plan identifies Leading Pedestrian Intervals as a program that they plan to implement; and,

Whereas results of a study by Fayish and Gross suggested an almost 60% reduction in pedestrian-vehicle collisions at intersections with Leading Pedestrian Intervals; and,

Whereas Leading Pedestrian Intervals are being deployed in more municipalities around Canada and the world in recognition of their proven ability to make pedestrians safer, due to their prioritization of pedestrian movement prior to the changing of the vehicle traffic signals, and the benefits for pedestrians generally and especially for older adults, people with disabilities, and children crossing;

Therefore be it resolved that the Community Services Committee recommend to Oshawa City Council that the City of Oshawa request that the Region of Durham implement Leading Pedestrian Intervals at signalized intersections in Downtown Oshawa.

**CS-22-97 - Speed Limit Reduction on Hillcroft Street between Mary Street North and Glebe Avenue and Galahad Drive between Glebe Avenue and Camelot Drive (Ward 4)**

Whereas, on August 10, 2022, the Ontario government introduced Bill 3, Strong Mayors, Building Homes Act, 2022 ("Strong Mayors, Building Homes Act"), which amends the Municipal Act, 2001, the City of Toronto Act, 2006, and the Municipal Conflict of Interest Act to advance provincial priorities; and,

Whereas, the Strong Mayors, Building Homes Act provides the mayors of Toronto and Ottawa with new powers, which alters the governance and public administration of the cities of Ottawa and Toronto; and,

Whereas, these additional powers could extend to other municipal mayors; and,

Whereas, the amendments could have unintended consequences including reducing the role and responsibilities of municipal Councils on such matters, thereby detrimentally affecting local democracy; and,

Whereas, at the August 2022 AMO Conference, the Premier of Ontario stated the importance of working with municipal partners and the power of collaboration in building Ontario together; and,

Whereas, there was limited consultation with members of the public, Ontario municipalities including mayors, chief administrative officers / city managers as well as key stakeholders such as the Association of Municipalities of Ontario (“AMO:), Ontario Municipal Administrators’ Association (“OMAA”), Association of Municipal Managers, Clerks and Treasurers of Ontario (“AMCTO”); and,
