

HTG-23-54

Memorandum

Economic and Development Services Department

Date: June 22, 2023

File: 12-03

To: Heritage Oshawa

From: Harrison Whilsmith, Planner A
Economic and Development Services Department

Re: Stevenson Road North Municipal Class Environmental Assessment Study

A Municipal Class Environmental Assessment Study is in process to determine upgrades to the Stevenson Rd. N. corridor from Taunton Rd. W. to Conlin Rd. W. The project will also review the need for a proposed east-west Type 'C' Arterial road in the Northwood Industrial Area (from the Oshawa/Whitby border to Stevenson Rd. N.).

Currently, Stevenson Rd. N. is a two-lane rural north-south road, with no paved shoulders or sidewalks. There is an opportunity to improve the overall function of Stevenson Rd. N. by upgrading the roadway infrastructure and municipal services to contribute to the development of adjacent lands and advance economic and job creation opportunities for the City.

Community members are invited to a Public Information Centre (P.I.C.) on Thursday, June 22 from 6 p.m. to 8 p.m. at The Embassy Church (North-East Conference Room) 416 Taunton Rd. W.

The P.I.C. will present the Study process, existing conditions, the evaluation of alternative solutions and next steps. For more information, visit [Oshawa.ca/StevensonEA](https://oshawa.ca/StevensonEA)

Recommendation

That, pursuant to Report HTG-23-54 dated June 22, 2023, a Stevenson Road North Environmental Assessment Working Group be created in order to provide comments on the Stevenson Road North Environmental Assessment and report back to the September 28, 2023 meeting of Heritage Oshawa.

If you have any questions please contact Harrison Whilsmith at 905-436-3311, extension 2697 or hwhilsmith@oshawa.ca.

A handwritten signature in blue ink that reads "H Whilsmith".
